ASSEMBLY PASSES BILL ALLOWING \$145 PER PUPIL AID

The Assembly Monday passed a bill to give State grants up to \$145 a student each year to California school districts from a \$35,000,000 to \$40,000,000 special grant. The bill sent to the Senate, sets a graduated scale for school grants ranging from \$145 a student in poor districts down to \$90 minimum.

The largest gold nugget on record was found in 1869 in a rut made by a cart, only a few inches below the surface of the ground, according to the Encyclopaedia Britannica. The nugget, known as the "Welcome Stranger" weighed 157½ lbs.

Theft Charges Filed Against Lomita Man

R. J. Ross, 38, Lomita, surrendered to the sheriff's office last week after a warrant was issued by Municipal Judge Frank R. Carrell, charging him with suspicion of grand theft.

Warrant was issued after John M. Southwell, 366 S. Colorado st., Los Angeles, signed a complaint charging that Ross took for his own personal use, \$1,100 that the former had given Ross to pay some bills for lumber used in building construction.

Bond was fixed at \$1,000.

Seventh Infantry Div. Group Forms L.A. Chapter

If you served in the famous Seventh Infantry division and want to keep in touch with some of your buddies, here is your chance.

Organizational plans were being formed this week for a Los Angeles Area chapter of the Seventh Infantry Division Association. Lt. Col. Jackson C. Gillis, former Division Intelligence Officer, pointed out that the Los Angeles area probably has more eligible members than any of the 83 communities in the United States where local chapters are contemplated since the division's activation in 1940, under the command of the late General "Vinegar Joe" Stillwell, was made principally with Southern California personnel.

Membership is open to all men, enlisted or commissioned, who were assigned or attached to the division, Gillis stressed.

Reunion of former wearers of the famous hourglass insignia is being planned for the near future, as is publication of the division history. Since mailing lists are incomplete, all eligible members are asked to contact the local chapter at Box 7025, Station G, Los Angeles 37.

In World War II the Seventh served extensively in the Pacific, seeing action in the battles of Attu, Kwajalein, Leyte, and Okinawa. It was the first of the allied occupation forces to enter Korea.

Initiation Rite Ends With Man Shot Accidentally

There's another empty saddle, temporarily, at the swank "Empty Saddle Club," Palms Verdes golf course, in the Rolling Hills section, as the result of the accidental shooting of Lloyd D. Carr, 30, of 8918 Fleetwing avenue, Inglewood area.

According to sheriff's deputies Carr was being initiated into the club last week. During the ceremony Carr was supposed to address each member as "Sir."

Failure to comply brought a "penalty of death" by shooting. Blank cartridges were to be used in the ceremony. While the initiation was nearing the climax, Roy McCarrel fired a gun somewhat prematurely, and the "bullet" or wad struck Carr in the left boot between the knee and the ankle.

Carr was rushed to the Torrance Memorial hospital, where 50 stitches were required to close the wound.

The sheriff's office is investigating to see if a loaded cartridge became mixed up with the blanks in some manner.

'47 Ice-Capades Premiere Date Set For April 24

Grand opening of the Ice-Capades of 1947 is "just around the corner," with the premiere date set for Thursday evening, April 24 at the Pan-Pacific auditorium, Los Angeles.

Because out of town fans have trouble in reaching the Pan-Pacific week days, officials have arranged a plan to allow suburbanites to obtain Saturday and Sunday matinee tickets through mail orders, one week ahead of Angelenos. Tickets for the week end performances go on sale for out-of-towners one week ahead of L. A. patrons. The use of mail orders are advised.

The '47 edition of the Capades is hailed as the greatest in the seven year history of the spectacle.

Included in the giant cast are such great figure skating names as Donna Atwood, Bobby Specht, Jackson & Lynam, Condon and Scott, Al Surette, Phil Taylor, Chuckie Stein, Mary Irwin, Eaco LaRue, Eric Waite, Forgie and Larson, the Benoit sisters, Ann Robinson, Eldon Adair, Alan Konrad, the Hub Trio, Red McCarthy, the Old Smoothies, Dench and Stewart, Jerry Mayhan, Warren Headlough, Eddie Bush, Nate Walley, Leo Leeb, Eddythe Walley, Malena sisters and Patti Phillips.

The Ice-Capades of 1947 will remain at the Pan-Pacific for a limited time only.
